

Advance your nursing career without the cost.

Prepare to be the best.

Earn your Bachelor's degree through this award-based program option. The Registered Nurse (RN) to Bachelor of Science in Nursing (BSN) program option builds upon your skills as an RN, prepares you for the growing demands of the nursing field and ensures a long-term career.

- 100% online
- Part- and full-time options available
- 4-year job sponsorship at Nebraska Medicine
- Tuition and fees covered
- New cohorts start each semester

Applicants need to complete both the application for admission to the Clarkson College RN to BSN program and Clarkson College RN to BSN Nursing Workforce Sponsorship Program application.
